Times:	1300-1600	
Venue:	Zoom Online Platform	
Places available:	15	
Fee/s:	NfP Members	£50
	Non-Members	£95

This workshop is suitable for: Any HCAs and HCSW already trained in the administration of the Influenza Vaccination, Shingles, and Pneumonia.

This half day course is suitable for any HCAs and HCSWs already trained and competent in the administration of the vaccines for Influenza, Shingles, and Pneumonia vaccination.

This course will focus on preparation for the FLU changes for the season ahead. In addition, we will discuss any changes for Shingles and Pneumonia.

As seasonal flu changes every year, it is essential that skills and competency are refreshed and updated to maintain evidence of best practice and provide safe, effective delivery of the vaccination programmes.

This interactive workshop will revisit the necessary learning for Influenza, Shingles and Pneumonia with case studies and discussion to explore those difficult scenarios alongside a quiz assessment of knowledge and skills.

Delegates will have an opportunity to revisit competency frameworks and have access to all the necessary paperwork for a robust, efficient clinic.

Course Content

- Refreshing knowledge of influenza viruses currently in circulation.
- Documentation and Governance of practice
- Knowledge of NMC guides to medicine management and patient specific directives
- This seasons flu campaign, including an overview of recent changes to the programme and changes with Shingles and Pneumonia.
- Assessment of learning
